Belt Degree Indicated on the Certificate

The certificate displays the name "Caglar Juan Singletary" in the recipient field. However, the rank area says “Your Rank Here” as a placeholder and, directly below, lists multiple options for degree (e.g., 1st, 2nd, 3rd, ... up to 10th) black belt.

The way the certificate is formatted suggests that it is a template intended for any degree from 1st through 10th black belt, rather than specifying a particular rank for "Caglar Juan Singletary." No specific black belt degree is designated for him—only that this template can be used for any degree as selected by the issuing instructor.
